

YTFOODS BUSINESS PROFILE

Ytfoods was founded in year 2020 in Lagos, Nigeria

We are into processing, packaging and distribution of premium Nigerian ingenious foods like Garri Ijebu, Dry Crayfish, pepper soup spice and barbeque spice and Pepper with ginger mix

We deliver clean quality ingenious foods across the country and outside the country.

We presently have 5 products in the Nigeria market, we are Nafdac approved.

Our mission is to deliver topnotch premium ingenious foods across and beyond

Our vision: is to be an household name by 2033

Our goal: is to reduce hunger and enhance healthy foods for healthy life

Ytfoods started during the lockdown, everyone's mouth was on a lockdown but people's mouth wasn't on a lockdown. We decided to create a niche for ourselves also following the SDG GOALS NO2 &3

Zero hunger and wellness

Ytfoods has been nominated for several brand awards e.g

1. FOYA AWARDS: founder of the year awards
2. Naija Brands awards
3. Global start up awards etc

Recently we just won The Stephen Akintayo Agricultural Grant awards to the tune of 5000 dollars for our business expansion

Overtime we have built a clientele base across the country and outside Nigeria with excellent feedbacks

Our aim and passion is to satisfy the high quality taste of ingenious foods thirst with our quality foods stuff and be a major brand in the food industry
