COMPANY PROFILE

Healthy. Hygienic. Homegrown.

Proudly Nigerian. Globally Trusted.

WHO WE ARE

Amineru Nigeria Enterprises Ltd (Trademark: Amineru Foods) is an agro-processing and food packaging company based in Benin City, Nigeria. We specialize in nutritious staple foods, processed under strict hygienic conditions for local and international consumption.

Vision:

To become a globally trusted Nigerian brand in agro-food processing, recognized for excellence, quality, and affordably available at the next shop.

Mission:

To transform of locally sourced agricultural produce into premium, nutritious, and affordable food products, while driving sustainable value creation through farmer inclusion, job creation, and contribution to global food security.

OUR PRODUCTS

Amineru Foods specializes in processing and packaging a variety of agro-food flour products including:

AMINERU UNRIPE PLANTAIN FLOUR

Processed from fresh green unripe plantain fruits, used to prepare that golden brown delicious, nutritious, healthy Amala Swallow. Goes with any soup of your choice. Sold in cartons of 12 pouches

AMINERU BEANS FLOUR

Processed from white beans for very high protein Akara Balls (Beans Cake), Moimoi (Beans Pudding) and Gbegiri (Beans Soup). Sold in cartons of 12 pouches

AMINERU GROUNDNUT FLOUR with Spices

Processed from Auchi Special groundnut for that very spicy groundnut soup that is excellent for the whole family. Sold in cartons of 12 pouches

AMINERU SOURED GARRI SOAKIES

A brand of low carbohydrate Garri, processed from fermented cassava tubers, used for that cool, tasty, delicious soak Garri. Combines well with Groundnut, Akara, Moimoi, Sugar, Banana, etc. Sold in Cartons of 12 pouches

AMINERU YELLOW GARRI

Processed from fresh cassava tubers with palm oil, used to make Eba Swallow. Goes well with any soup of your choice. Sold in Cartons of 12 pouches
